Tantrums and Meltdowns: What the Behavior Is Asking For

Learn what your child's tantrum is asking for, plus simple ways to teach a better way to ask. The same tools we use with families every day, in plain language you can put to work at home, with time for your questions.

PRACTICAL PARENT TRAINING · LED BY A BCBA

What we will cover

Why tantrums keep happening
The candy store, revisited: what happens next decides whether it happens again.

Playing detective
Three questions that tell you what the tantrum is asking for.

Teaching a better way to ask
Words and signals that work better than screaming.

It gets worse before it gets better
What to expect when you hold the line, plus prevention that stops tantrums before they start.
